Press Release: Vehicle Strikes Building on Woodstock Square – 05/23/2024

For Immediate Release

On Thursday, May 23, 2024, at 3:39PM, the Woodstock Fire/Rescue District responded to the 100 block of Cass Street, on the Woodstock Square, for the reported vehicle that struck a commercial building.

Firefighters arrived within 3 minutes and observed a vehicle that had jumped the curb and struck a commercial storefront. Both the brick facade and vehicle sustained minor damage in the collision. An adult female driver was transported by ambulance to Northwestern Medicine Woodstock Hospital with minor injuries.

The Woodstock Police Department is investigating the crash and any additional questions pertaining to the investigation (cause, fault, seat-belt use, speeds, etc.) should be referred to them.
